I. Welcome: Ginnie Allred – 3 min

II. Approval of minutes from last meeting – 2 min minutes were approved

III. Counselor Update – 5 min provided by Principal Thompson in place of Ms. McQuiston. See school calendar for upcoming events.

IV. Open Business/Information – 90 min

- a) Vote on Roles and Procedures – (10 min) Approved by majority vote. Trish Springer asked for clarification on how the public will know how to participate in council meetings. In addition to the section on “Meetings” in the Rules of Order and Procedures, there will be other avenues for this information to be viewed (see “email and website form”). It was proposed to have an “if time allows we can hear from visitors” clause be added onto the end of the council agenda but this wasn’t decided upon.
- b) Email and Website Form – (5 min) there will be a notice on the school website clearly stating how individuals in the community can speak to the council and there are plans to include a “parent feedback page” directly on the school website. Two or more Council Members will receive the feedback to make sure the content of feedback is viewed and addressed.
- c) Report on special meeting – (25 min) Council member, Kerri Stuart, created a document compiling all the Summit feedback from the Parent Night held Feb 23rd. As a council, we reviewed the recurring themes shared in that meeting and some members made the following recommendation to the Davis School Board Members: *“The Community Council recommends that the School Board thoughtfully review the*

parents' feedback and consider whether the Summit Learning platform is best for our students and community." The feedback will be made available to Julie Tanner (Centennial's school board representative) prior to the upcoming Davis School Board meeting to be held March 15th.

- d) School LAND Trust – (40 min) budget reviewed, revised, and approved by majority vote of Council.
- e) Summit Subcommittee – (10 min) Marcie Hayes appointed chair for the subcommittee. The Subcommittee will be organized in the future when further data has been made available through user surveys and Summit success data.

V.New Business – 25 min

Ariel's data request – (5 min) refer to (e) above

Council Vacancies – (5 min) **Resigned:** Jason McCammon, Sean Morrison

*opening for Community Council Member from Endeavor Elementary
