## When can Students take Content Assessments?

### During Thunder Academy

Students may sign up either in the 80s or 90s hall to take content assessments. There are 3 sessions with 36 seats available in each: 10:55-11:15, 11:15-11:30, and 11:30-11:45. Due to 300+ students needing to take content assessments, we are allowing students to sign up a total of 3 times a week! That allows students to take Content Assessments 27 times (only 17 assigned for the term) this term in Thunder Academy! They also have another opportunities!

### During Class

If time allows, teachers allow students to take any Content Assessments during class.

***This is not always guaranteed. It is up to the teacher's discretion.***

### Before or After School

Due to the Governor's announcement, students are unable to stay after school to take content assessments with teachers until November 24th.

***After November 24th, students may make appointments with any 9th grade teacher to take Content Assessments!***

### Fridays

Students can still sign up to take Content Assessments on Fridays from 9 to 11.

***They can take as many as they want!***

# Rewards

## Dole Whip Day!

Last week, students were rewarded with a Dole Whip during Thunder Academy because they were able to complete 22% of the Power Focus Areas last term! Check out the video on the Summit Website (link below) to see the students enjoy their reward!

This term, the goal is to complete 48% of Power Focus Areas to get Churros!

## Fast Pass

Ms. Burgess' Thunder Academy class got the highest percentage of Power Focus Areas done! Because of this, they were able to go to lunch a couple of minutes earlier for a week (which we call a "Fast Pass")!

## Summit Surprise Bucket

Every time a student completes 5 Focus Areas, they get to pick a prize from the Summit Surprise Bucket! They get to choose from candy, pencils, little toys, notebooks, and so much more!

# Quick Reminders and Links

## Students are NOT ALONE!

All teachers are here for your students! They are available to help your student:

- Before or After School

(After next week due to the mandate)

- on Fridays from 8 to 2

- By Email!

Teachers are hosting workshops in class to help students with Focus Areas too! Teachers are always thinking of how to help your students be successful! Remind them that they can always reach out to their teacher no matter what!

## Changes to Retakes for Content Assessments

On the first day of Term 2, students were informed that the retake policy has changed. They now have to show notes on their 2nd/3rd time. On their 4th or more attempt, they will work with their Content Teacher before/after school or on Fridays to pass the Content Assessment.
