### **Photography Class Needs**

Hello, I am Mrs. Reeves and I teach photography here at Centennial Junior High School. For this class most of the students use their phones for cameras which is great but I would love to teach them how to use Digital DSLR cameras so really learn to manipulate their photos, so I am asking if anyone out there has upgraded their cameras and happen to have older DSLR cameras or 35 mm digital cameras they aren't using anymore and are just collecting dust and taking up space and would like to donate to my class I would really appreciate it. If you do have one to donate you can just bring it to the office here at school.
